

Crispy Lavash Pizza Recipe

Ingredients

- 2 lavash flatbreads
- 1 cup pizza sauce
- 1 lb shredded mozzarella cheese
- 4 oz pepperoni slices (or as desired)

Instructions

Step 1 Preheat Oven

Set your oven to 350°F (180°C). Lightly spray one side of each lavash sheet with nonstick cooking spray.

Step 2 Crisp the Base

Place lavash directly on the oven rack and bake for 2 minutes to crisp up the base slightly.

Step 3 Assemble the Pizza

Remove from the oven and place on a baking tray. Spread 2–3 tablespoons of pizza sauce over each flatbread.

Step 4 Add Toppings

Sprinkle mozzarella evenly, then layer with pepperoni (or your preferred toppings).

Step 5 Bake to Perfection

Return to the oven and bake for about 15 minutes, or until the cheese is melted and golden.
